## E-Mail of Future Property Tax Bills, Water Bills and Dog License Bills

In an effort to become more efficient and effective in the processing of all bills, the Municipality of Middlesex Centre is offering residents the opportunity to receive these bills by e-mail as opposed to regular mail. There is no requirement to sign-up for this service. We understand that some residents may not be able to take advantage of this service due to limited connectivity. Receiving your Property Tax and other bills such as Water and Dog License bills by e-mail will allow you to easily file these important documents electronically for future reference. Further, you will be able to access these bills wherever you have access to your e-mail. We see this Green Initiative as a value added service to residents of Middlesex Centre. We hope that you agree!
