# **Ice Time Allocation Policy**

It is recognized and understood that the Municipality has a responsibility to provide ice time to meet the needs of the entire community. It is further recognized that these needs vary and that a system should be established to determine the best utilization of the ice time available to the community.

Ice time allocation should also represent a balance of activities which may change as trends and demands for other activities develop in the community.

### **D: Ice Allocation For Minor Sport Groups**

- age of participants
- availability of coaching staff

### **E: Ice Allocation - Historical Precedent**

Significant changes to ice allocations shall be based on significant changes to registration levels and composition or other emerging trends and needs.

## **F: Ice Allocation - Contracts**

All Prime Time Ice rentals will require a signed contract. Further, those groups or individuals who book more than two ice rentals at a time for non-prime time ice will also be required to sign a contract.

## **G: Ice Allocation – Sub-Letting of Ice Time**

No group or individual may sub-let any ice.

## **H: Ice Allocation – Cancellation Policy**

The applicant may return ice to the Municipality by providing two weeks written notice. The municipality may then in turn try to rent the ice; however, in the event this is not possible, then the applicant will be responsible to pay for any ice that is not re-rented.

## **I: Ice Allocation – Public Skating**

The municipality will encourage public skating (family skate and open skate) during the regular ice season and will schedule such activities for both facilities.

## **J: Ice Allocation - Tournaments and Special Events**

Requests for the allocation of ice time for tournaments and special events shall only be considered if received in writing from the sponsoring group.

The exact dates for these events should be submitted with the ice time request of each group by March 31st of each year (see item K) and will be confirmed before the beginning of each season.

Requests for tournaments and special events will be considered on an individual basis and will take into consideration the following criteria:

## **L: Ice Re-Allocation**

Refers to the re-allocation of ice-time that is no longer required by a seasonal contract rental group (ie: an Oldtimers hockey team folds, Skating Club registrations decrease).

Seasonal Contract: Ice time that becomes available shall be re-allocated based on the requests received, current needs of all groups, and in accordance with criteria as outlined in this policy.

All non contracted ice time will be booked on a first come first serve basis to any rental category.
