

A.2 NOTICE OF COMMENCEMENT

Middlesex Centre Settlement Area Stormwater Master Plan Updated Notice of Commencement

Background

Development throughout Middlesex Centre has historically been fragmented, and has led to a fragmented stormwater management system that is made up of a combination of Municipal Drains, and municipal storm sewers. In order to develop a plan for effectively managing stormwater infrastructure for existing areas and to accommodate future growth, the Municipality is developing a Stormwater Master Plan.

The Master Planning Process

The Master Plan will be undertaken in accordance with the Municipal Class Environmental Assessment process (Municipal Engineers Association 2000, as amended in 2007, 2011, and 2015). The Master Plan will consider all aspects of the environment in order to develop a holistic plan for managing this important asset. The Master Plan will be an important resource for the Municipality as it continues to adapt to growth and changing environmental conditions and regulations. The study area for the Master Plan will include the settlement areas of Arva, Birr, Ballymote, Coldstream, Denfield, Ilderton, Kilworth, Komoka, Melrose, Poplar Hill, Bryanston and Lobo.

How can I get involved?

Public input will be important throughout the study, and there will be several opportunities to contribute. An online webmap and questionnaire will soon be available on www.middlesexcentre.on.ca/stormwater. Here, you will have the opportunity to identify specific areas where you have experienced ponding water, basement flooding, or other drainage concerns. A number of Public Information Centres (PICs) will also be held throughout the Municipality during the study, which will provide the opportunity to review and provide comment on the study.

We encourage all residents to visit the link above, or contact a member of the study team below for more information or to be added to the study's mailing list to receive future updates.

Brian Lima, P. Eng.
Director, Public Works and Engineering
Municipality of Middlesex Centre
(519) 666-0190 Ext. 233
