Purpose and Effect of the Application

The Municipality is seeking input on a development application within 120 metres of your property. The properties are currently zoned as 'Hamlet Residential First Density exception 1 (HR1-1)' and 'Institutional (I)'.

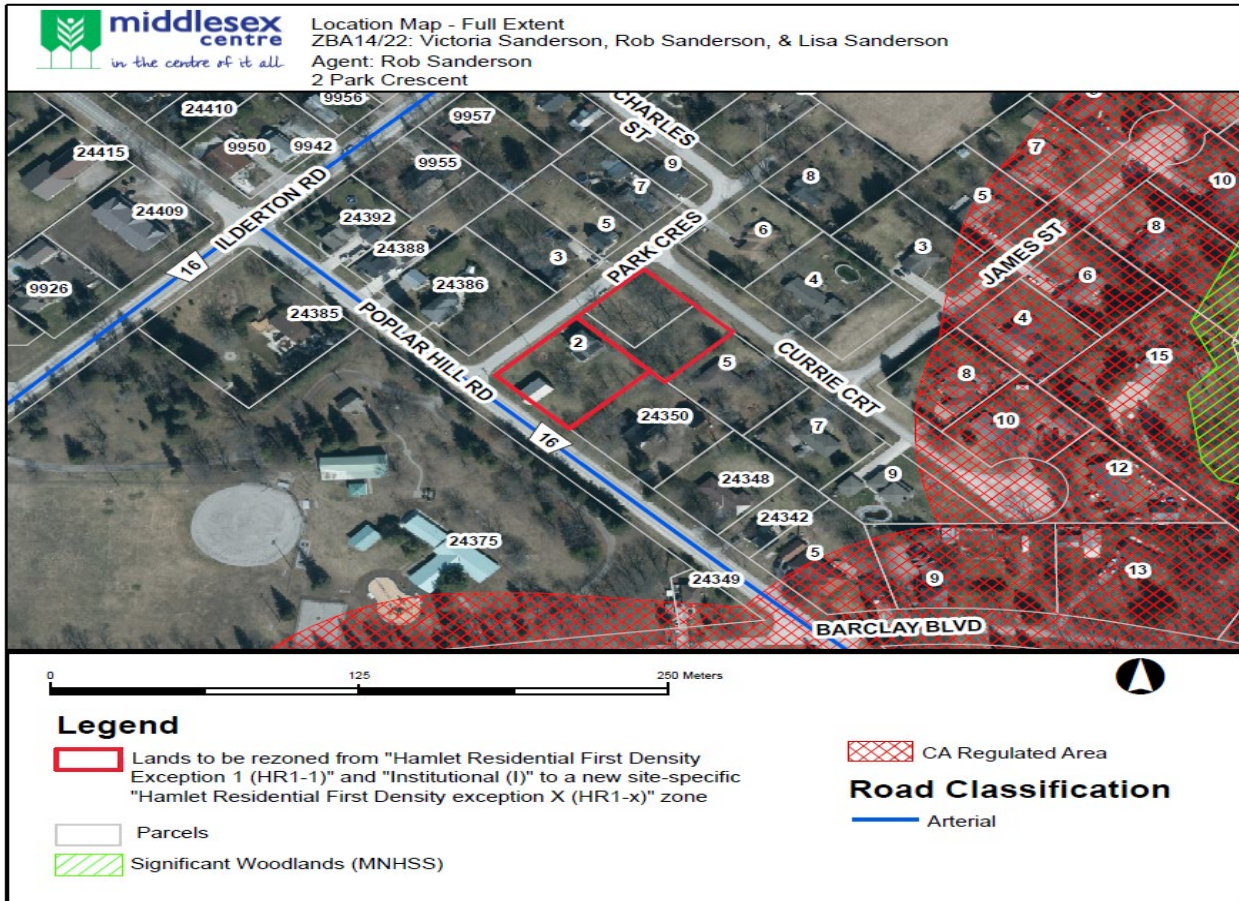

The purpose of the Zoning By-law Amendment application is to rezone the properties to a new site-specific 'Hamlet Residential First (HR1-x)' zone. The effect will permit a single detached dwelling, recognize the undersized lot area, and recognize the rear yard setback of the existing buildings on each proposed lot. The rezoning is a result of severance application B-13/2022 which proposed to adjust the property boundaries to create 2 building lots.
