Purpose and Effect of the Application

The Municipality is seeking input on a development application within 60 metres of your property. The purpose and effect of the Application for Minor Variance is to seek relief from the Middlesex Centre Comprehensive Zoning By-law 2005-005 in order to permit a dog grooming business as a home occupation within the garage, whereas grooming is defined as a use included in the Kennel definition, which is not permitted in the zone, and home occupations are not permitted to operate outside of the single family dwelling. The applicant is proposing to convert one (1) parking space in the existing garage to accommodate an appointment-based dog grooming business. No boarding of pets is proposed with the use.

Description and Location of the Subject Lands

The subject property is located on the south side of William Street, east of the intersection at Springer Road and William Street in Delaware. The land is legally described as Lot 11 on Plan M432, in the Municipality of Middlesex Centre, County of Middlesex, and is municipally known as 99 William Street.
